ONTARIO QUARTER HORSE RACING INDUSTRY DEVELOPMENT PROGRAM

The Ontario Quarter Horse Racing Industry Development Program has allocated a pot of \$20,000 for annual bonus payments to be shared by eligible ex-racehorses earning points in recognized events each year.

Eligible horses must:

- Be an ex-racehorse of Quarter Horse racing in Ontario,
- Compete in an event recognized by the Ontario Quarter Horse Racing Industry Development Program,
- Earn points unique to the Post Racing Bonus (see below),
- The owner of an eligible horse must apply annually and provide supporting documentation by November 20th.

How are points earned?

Horses competing in events recognized by the Ontario Quarter Horse Racing Industry Development Program earn points. Participation earns points, and placing first, second or third earns more points.

1ST PLACE	3 POINTS
2ND PLACE	2 POINTS
3RD PLACE	1 POINT
SHOW PARTICIPANT	1 POINT

The Post Racing Bonus will be divided among eligible horses based on the total points earned. There will be a maximum payment per horse per year. Bonuses will be calculated based on:

$$\text{Total points earned} \times \text{value per point} = \text{bonus payment per horse}$$

What are recognized events?

The Post Racing Bonus is attached to performance and participation in horse sports, particularly speed events such as barrel racing and pole bending. Recognized events are hosted by Participating Industry Associations. Participating Industry Associations are expected to promote the Post Racing Bonus to their membership. It is the owner – as declared on the Certificate of Registration for the horse – who benefits from the Bonus. It is the owner's responsibility to provide accurate reporting of the horse's performance and documentation to prove that the horse is eligible.
